

ACCOUNT ESTABLISHMENT FORM

RESIDENTIAL

Let us know about your property purchase

This form is to advise Mucea Water of your property purchase and should be completed at (or asap after) settlement. It is not an application for a water meter or new water service connection.

When you are ready to build and need a water meter to be installed so that the water service can be connected to your property, please complete the 'Service Connection Application' form.

If you, or someone residing at your property requires a water supply to operate a dialysis machine or other life support equipment or you require water for a special need of another kind, you must advise us (by email or telephone).

The latest information, forms and documents, including connection applications and terms & conditions, are available on Mucea Water's website (www.muceawater.com.au).
