

ACCOUNT ESTABLISHMENT FORM BUSINESS

This form is to advise Mucea Water of your property purchase and of your details and should be completed at (or asap after) settlement. It is not an application for a new water service connection.

When you are ready to build and need a water meter to be installed so that the water service can be connected to your property, please complete the 'Service Connection Application' form.

The latest information, forms and documents, including connection applications and terms & conditions, are available on Mucea Water's website (www.muceawater.com.au).
